We Embrace Business

The Ontario Hispanic Chamber of Commerce (ONTHCC) was established in the year 2000 as a non profit organization serving as a link for public and private sectors seeking to help Hispanic Enterprises become more competitive. The ONTHCC is a community participant which endeavors to promote industrial and commercial business locally, regionally and nationally with an emphasis on the Hispanic Business Community Mission Statement To promote business development through leadership, advocacy, education, increased visibility and economic expansion.

WE ARE...

The Ontario Hispanic Chamber of Commerce is the sole non-profit organization in the Inland Empire that hosts a substantial community festival and benefit concert to raise funds for the underprivileged community. We are dedicated to giving back to the community through our Foundation, offering numerous scholarships to students, enabling them to pursue their educational aspirations.

Your sponsorship not only provides exposure for your business but also contributes to the development of a vibrant and prosperous Inland Empire. Thank you for your support.
